

Apple iPad Price Report

Hardware

Apple has recently updated its iPad offerings for education to primarily focus on two models: iPad and iPad Mini 4. These two models are offered in 32GB and 128GB, as well as in multi-packs (10 ipads). TEC has compared “the actual price paid” for these popular iPad models for districts of different sizes across the country.

iPad 32GB	Lowest Price \$290	Median Price \$299	Highest Price \$398
iPad Mini 4 128GB	Lowest Price \$367	Median Price \$379	Highest Price \$499

See What Other Districts Paid
